Digital electrostatic meter multifunction **EYE-02**

*PORTABLE, WITH REDUCED DIMENSIONS

* LEVEL READING

* DOUBLE DIGITAL INDICATION:
   * NUMERICAL
   * BAR CHART FOR POLARITY

* MEMORISATION OF LAST MEASURED VALUE

 * BATTERY LEVEL INDICATION

* EMISSION OF LIGHTING POINTS FOR

 DETAILED MEASURES

* ACOUSTIC SIGNAL FOR FUNCTION CHANGE

MULTI LCD DISPLAY
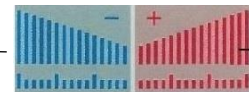

Reliable sensor of the electrostatic charge

Red led emitter to reguate the distance to measure

Bar chart for negative polarity level

Activated functions

Battery level

Bar chart for positive polarity level

Electrostatic charging voltage on kV

Digital indicator of electrostatic charging voltage from 0 to ±22 kv

Buttons for measurement functions

Grounding cable for higher reading precision

Covering case included with the device

CE RoHS

Compliant with EC standards and RoHS directive
